

## Take Advantage of This Limited Time Opportunity— Exclusive Acuity Pricing for the Archdiocese of Indianapolis

### More than an Assessment, Acuity is an Instructional Tool

Acuity® is a comprehensive K–12 assessment solution that supports district and school instructional improvement goals, while enabling teachers to use valid and reliable assessment data to inform their instruction and intervention plans.

Schools within the Archdiocese of Indianapolis have an opportunity to take advantage of a cost-saving, limited-time offer from McGraw-Hill Education. This offer includes Acuity for Grades K–12, and requires schools to sign-up by **June 1, 2015**.

- Schools new to Acuity will avoid the \$2,150.00 Acuity set-up fee
- **All** participating schools will avoid the Acuity technology fee

Acuity assessments are aligned to the latest version of the Indiana Academic Standards in English Language Arts, Mathematics, Science, and Social Studies for Grades 3–8, and are administered several times per year. Acuity also offers six readiness forms in ELA/Reading and Mathematics for Grades K–2, as well as several high school forms in ELA/Reading, Mathematics, and Algebra.

Acuity assessment reports provide standards-aligned performance data, which support an educator’s ability to inform instruction at the student, class, school, and corporation level. Additionally, there are multiple learning activities, ELA and Mathematics instructional resources, custom test builder assessments, and performance tasks. These activities can be used to help guide future instruction, improve student achievement, and support the interim assessment process. With Acuity’s valid and reliable assessments, teachers can easily pinpoint where their students need extra help. **All tests are available for online and paper/pencil administration.**
