

BUTLER UNIVERSITY

COLLEGE OF EDUCATION

Do you have someone in your building who you'd like to help achieve a pathway to teacher licensure? Know an adult student who is interested in becoming a teacher?

Recommend the Information Night in the College of Education!

The **Accelerated Alternative Program in Special Education** is a unique avenue for people with Bachelor's degrees to enter the teaching profession with the support and name recognition of the highly respected faculty in the College of Education. The program offers an innovative and alternative route to state licensure in mild intervention (PreK-12).

Who should attend? Anyone interested in learning about the Accelerated Alternative Program in Special Education including:

- Administrators
- Instructional Assistants
- Career changers
- Parents

When is the Event? January 30, 2017 from 6:00 to 7:00 pm

Where is this Information Night? Butler University, Jordan Hall 183

Items that will be addressed include:

- Criteria for entering programs
- Expectations for completing the programs
- Overview of program content
- Financial Aid
- Your questions
